

## BAYOU BOWMEN ARCHERY CLUB

### RULES: INDOOR AND OUTDOOR RANGES

Bayou Bowmen Archery Club facilities are available to members and guests only. Non-members must be accompanied by a member in good standing with applicable fees collected by the member and he/she is responsible for having a waiver signed and paying the fees. Non-member/guests fee: 1<sup>st</sup> time is complimentary but a waiver must be signed, additional visits will be \$5.00 to be turned in by the member with a guest information form. All collected money should be left at the range in designated area or turned in to Toni St. Upery.

Never give out the combination(s) or loan keys to non-members.

No one under the age of 18 may enter Bayou Bowmen ranges without the supervision of an adult or guardian.

New (unused) practice targets are \$1.00 each (*indoor range*)

Do not place target pins, bottles, cans etc on top of the bales. Remove all targets from bales, store pins in box and stack targets on the floor.

We are a club and do not hire maintenance people; therefore, maintenance is up to club members. Pick up/clean up after yourself and guests. Bottles, food wrappers etc. should be properly disposed of. Turn off lights and make sure the door/gate and/or lock is securely locked before leaving. Always strive to leave surroundings better than you found them!

Absolutely no broadheads!!!! ON ANY RANGE!!!!

The field range should only be used for practice when shooting as a range. Do not stay shooting on one specific target, but move on down the range in order to preserve the targets without undo wear from overshooting any one target. The practice range can be used for more intense practice.

When on the outdoor and 3D range stay on the path in direction designated. Do not walk backwards or cut across lanes.

Please shoot 3d targets in kill/wound area only to preserve targets.

**Failure to follow the above rules may result in membership being revoked.**

---
